Class of 1964
50 Year Reunion

Mayfield-Graves County Country Club
July 19, 2014
ACKNOWLEDGMENTS

It took a lot of hard work by a lot of people to plan and execute our 50th reunion. Let’s thank them for making this reunion an outstanding and memorable occasion.

Of course, the entire reunion committee deserves our thanks and everyone pitched in. Here is a breakdown of who and what:

Mary Housman Mills—Overall coordinator and the person who got the ball rolling. She did too much to list everything.

Kathy Edwards Myatt – Food arrangement and coordination

Larry Jones – Treasurer; took care of all money in and all money out (like a hawk!!)

Pam Boyd Brooks – Memorial (made up the memorial tree) and decorations

Diana Schuler – Nametags and decorations

Alice Davis Stratton (collected a lot of the decorations), Susan Sletvet Garland (made large red & black wreath), Nancy Moffitt Glover, Nancy Cochran Hargrove, Loudean Potts Austin, Judy Moses Hughes, and Wanda Davenport Taylor worked on the beautiful decorations

Carol Wilson Covington – Friday night get together & decorations

Anne Williams Clemmons -- Reserved Country Club, way in advance

Johnny Winslow—Clean-up and welcome sign installation

Lanny Lancaster – Music

Andy Stratton – Technology

Hero action: Mary and Marty Mills and Kathy Myatt for washing the silverware so we did not have to eat with plastic.

SPECIAL MENTION TO JODI AND BEN WATKINS – Donated their stockholder right to us to use the club. Translation—The Class of 1964 did not have to pay to rent the club thanks to Jodi and Ben!!!

And thanks to all of you who attended; who helped us locate classmates; and who have been so supportive of the committee. We had a number of people who offered to contribute financially, if needed, to help out.
Here are some statistics on the reunion:

**Biography / Memorable Life Experiences:** The most memorable life experience Ron and I have shared was raising our son, Chris. He has been such a blessing to us and it has been a joy being with him and watching his life unfold. Our trip to Germany and was a wonderful experience. Ron speaking German was a plus and I just spoke Southern slang. The castles, vineyards, cathedrals and all were very beautiful and historic Frankfort will always be places to recall. Now we live in a small town in north east Alabama. Atlanta is just to the west and Birmingham just east. It's a laid back town of 2,000 folks, but a nice place to retire.
