Dear Fellow Lancers,

It's difficult to believe it's been 50 years since our graduation in 1965 from Sunny Hills High School. It seems as if it were only yesterday!

Our 50th Reunion on November 14, 2015, was a momentous occasion filled with renewed friendships, shared memories, and magical moments. We had 180 classmates and guests come to our main event at Coyote Hills Golf Club in Fullerton, over 60 at our pre-reunion party and school tour, and 25 tired, happy Lancers at Angelo & Vinci's for Sunday brunch.

Our reunion committee would like to thank everyone who came from near and far to attend. For some of you, it was much more than a quick drive down the street! It has been years since many of us have been together. We saw lots of smiles and a few loving tears but, mainly, we heard lots of laughter—sure signs of a great party. Our friendships with one another are deeper and more precious with each passing year.

Will we see a 55th or 60th reunion? We sure hope so, but we also know that we would be hard-pressed to replicate our 50th. We thank you for all the years of Lancer support, friendship, and camaraderie.

Please stay in touch with us and periodically update your contact information archived at www.reuniondb.com, so when the next reunion comes around, we will be able to inform you.

You can stay in touch with many in our class at our reunion Facebook page at www.facebook.com/groups/SHHS1965.

With warmest regards until we meet again,

Your 50th Reunion Committee
